- In the ÖGB building at Innsbruck main station (Südtiroler Platz 14-16, 7th floor)

### This is how it works:

1. Fill out the confirmation & list on the next page - **up to 10 items can be sold!**
2. **PPE; Sensitive personal safety equipment (PPE) - such as climbing harnesses or slings can (understandably) not be accepted!**
3. However, the Naturefriends offer a collection campaign for old ropes! We will pass these on so that the ropes can be reused in an upcycling process.
4. Items are handed in, labeled and photographed.
5. Loading possibility in the inner courtyard
6. Determine the selling price yourself - if the price of the item is € 100, then € 80 is paid out to the seller and € 20 goes to Naturefriends. So an 80/20 % ratio.  
**Please bring the list with you on collection.**
7. Collection of the remaining items and payment will take place on Sunday, from 14:00 to 16:00
